THE PATH

GOD

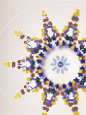

WITH COY F. CROSS II, Ph.D.

Come join us for a journey into acceptance and transformation as we continue to learn how God is "also in the worst of our life's experiences".

In this follow-up class to, *The Dhance: The Path of Acceptance*, we learn what the path is like if we can find a way to touch God in every facet of life - even in our worst pain - then we can receive incredible gifts that may not be found anywhere else.

Continue your own search for meaning and for God during this seminar, *The Path of God*. - an acceptance seminar led by Coy F. Cross II, based on the spiritual work of Rev. Carol Ruth Knox.
